

CAUTIONARY NOTICE

We are given to understand that some unauthorized person/s posing as our employees have created Telegram / WhatsApp channel using the logo and the trade name of “**Adhrit India**” and inviting jobseekers. These unauthorized persons are calling jobseekers for the “**Work from Home**” “**Online Job**” opportunities.

They initially begin with offering smaller tasks and pay money for giving Like / Follow on Instagram / Facebook pages that they provide and later lure them to double their amount within short notice if money is invested with them. Please be informed that **none of the employees at “Adhrit India” ask for any money or funding from any person for investment as deposit by using social media platforms or Apps.**

All are hereby cautioned that any social media group, website, video sharing and social media platforms, mobile application etc. demanding any money for investment or claiming to be associated with Adhrit India and claiming to be providing any monetary return for investment is unauthorized and illegal and has no connection of whatsoever nature with us

We hereby advise not to act on any such request. Any such demand from any person using our companies name/ logo through any medium shall be **immediately reported to the concerned authorities.**

Adhrit India and/or its Directors/officials shall not be responsible for any initiative or action taken by anyone on the basis of such unauthorized and illegal social media platform, social messenger, video sharing platform, website, mobile application request. Any person/s who engages or deals with anyone on the basis of any such platforms, he/they shall be doing so at their own risk, cost and peril and any of the Adhrit India and/or its Directors/officers shall not be responsible or held to account in respect of the same.

ISSUED BY AND UNDER AUTHORITY OF ADHRIT INDIA.
